

Tips for livestreaming *STATE OF DARKNESS* from home

We are excited to virtually welcome you back to the Theater! Here are our tips and tricks for navigating the world of livestreaming to ensure the best possible experience of our virtual stage. Sit back, relax, and most importantly - enjoy the show!

Tips for livestreaming from home:

- ◇ Maximize your screen brightness
- ◇ Adjust to your preferred volume settings
- ◇ Check your internet connection
- ◇ Close all other tabs and disable pop-ups
- ◇ Disable sleep mode or screensaver mode
- ◇ Turn off any notifications
- ◇ Enable high-definition viewing
 - ◇ Select **Settings** in the bottom right-hand corner of the video player
 - ◇ Click **Quality** and select your preferred video quality level
